## **Find An Organiser Pty Ltd.**

Find An Organiser (FOA) is an online platform designed to assist clients to find details of Professional Organisers (PO's) who provide professional services in the field of organisation.

The platform enables you to search for PO's within your local area, and contact them directly via their contact information as listed. All PO's in the database are required to have a registered ABN/CAN. If you acquire any services, any arrangements will be with the Professional Organiser directly and not the FAO. Whilst the information included here is provided in good faith, no representation is made as to its accuracy.

This referral service does not provide advice, product or recommendations, and it does not provide any information about the price of a service. The content contained on this website is only general information and is not intended to be an exhaustive list of PO's and services available in Australia and New Zealand. The information provided by FAO does not constitute advice of any kind, nor is it an endorsement of any PO or product. Some PO's may also only provide certain products or services via online. Please contact the PO directly to check these details and to make a booking.

Links to third parties' websites are not under the control of or maintained by FAO. We provide these links only as a matter of convenience and, to the maximum extent permitted by law, FAO will not be responsible for the content of such websites and does not endorse or recommend any products or services displayed or offered on any linked websites.
